Getting Around Excellence in Singing xix

Music xxii

International Phonetic Alphabet xxii

Introduction: Advancing the Technique 1

Like Rubbing the Tummy While Patting the Head 3

The Goal for Advancing the Technique 5

Smooth Transitions in Pitch, Timbre, and Dynamic Levels 7

Smooth Transitions in Pitch 8

Smooth Transitions in Timbre 9

Smooth Transitions in Dynamic Levels 11

The Uneven Tonal Landscape 12

Coordinating the Parts that Control the Voice 13

Mapping the Tonal Landscape 13

Strategies 14

Conditioning the Parts that Control the Voice 14

Chapter 11: Teaching and learning the tonal landscape 15

The Uneven and Diverse Tonal Landscape of the Voice 17

Plotting a Map of the Voice 19

Overall Range 20

Singing Range 21

Singing in the Extended Range 22

Tessitura 23

The Tessitura and Selecting Music 24

Events and Registers 27

Events 28

Registers 31

Teaching with Events and Registers 33

Primary Events 38

Secondary Events 46

Two-Register View of the Voice 49

Three-Register View of the Voice 53

Ten-Register View of the Voice 62

One-Register View of the Voice 71

Zone of Passage 73

Patterns in the Maps 74

Tessitura and Primary Events 75

Tops of Registers and Events 76

Primary Events 78

Two-Register, Three-Register, and Ten-Register Views 78

Plotting a Map of Your Student's Voice and Voice Classification 80

Individual Morphology 80

Overall Weight 81

Typical Maps and Voice Classification 82

How to Plot a Map of Your Student's Voice 87

Interference with Plotting a Map 90

EXERCISES 93

To Plot the Singing Range 93

To Plot the Tessitura 95

To Plot the Extended Range 98

To Determine the Weight of the Voice 98

To Listen for Events 100
To Locate Events in the Male Voice 102
To Locate Events in the Female Voice 110
To Map the Landscape of a Voice 122

Coordinating the Parts that Control the Voice 127

Chapter 12: Teaching and learning a smooth vocal line 127

Efficiency 129
Smoothing Transitions by
Varying Pitch, Timbre, and
Dynamic Levels 132
Smoothing Transitions
With the Two-Register View 134
Smoothing Transitions
With the Three-Register View 135
Smoothing Transitions
With the Ten-Register View 136
Flexibility with the Different Approaches Using Continuums 136

Strategies 138
Components of a Strategy 139
Preparing for Strategies 142
Strategies and
Stochastic Processes 145
Context for Strategies 146

Applying Strategies 166
Getting Around the Tonal Landscape—Males 166
Getting Around the Tonal Landscape—Females 169
Applying Strategies With the Ten-Register View 169

Summary 171

EXERCISES 173

Smoothing Transitions by Varying Pitch, Timbre, and Dynamic Levels 173

To Smooth a Problem Area by Varying the Pitch 174

To Smooth a Problem Area by Varying the Timbre 179

To Smooth a Problem Area by Varying the Dynamic Levels 182

To Smooth a Problem Area by Varying All Three Dimensions of the Sound 183

Smoothing Transitions with the Two-Register View 184

To Identify Heavy Voice 185

To Explore the High Limit of Heavy Voice 188

To Identify Light Voice for Males 189

To Identify Light Voice for Females 191

To Explore the Low Range of Light Voice for Males and Females 193

To Contrast Light and Heavy Voices 195

To Sing Smoothly Through the Zone of Passage 197

To Sing Smoothly Throughout the Range of the Voice 199

Smoothing Transitions with the Three-Register View 203

How to Teach the Exercises for Males 203

Singing into Chest Voice for Males 206

To Sing into Chest Voice for Males 207

To Sing into the Low Range of Chest Voice for Males 207

To Sing into the Upper Range of Chest Voice for Males 208

To Sing above the Upper Limit of Chest Voice for Males 209

Singing into Light Chest Voice for Males 210

To Sing into the Low Range of Light Chest Voice 211

To Sing into the Mid Range of Light Chest Voice 212

To Sing into the Upper Limit of Light Chest Voice 213

To Sing above the Upper Limit of Light Chest Voice 214

Singing into Falsetto Voice for Males 215

To Sing into Falsetto Voice 217

To Sing into the Low Limit of Falsetto Voice 220

To Sing into the Upper Limit of Falsetto Voice 221

Singing into Middle Voice for Males 223
To Sing from Falsetto Voice into Middle Voice 224
To Sing into the Low Range of Middle Voice 226
To Sing into the Mid Range of Middle Voice 227
To Sing into Middle Voice Through a "Turning Over" Sensation 228
To Sing into the Upper Range of Middle Voice 230
To Sing into the Extreme Upper Range of Middle Voice 231

Singing into Head Voice for Males 232
To Sing into the Low Range of Head Voice 233
To Sing into the Mid Range of Head Voice 236
To Sing into the Upper Range of Head Voice Through a "Turning Over" Sensation 239
To Sing into the Upper Range of Full Head Voice 240
To Sing into the Low Range of Light Head Voice 242
To Sing into the High Range of Light Head Voice 243
To Contrast Middle Voice and Head Voice 244
To Sing Long Scales into Head Voice 245

Singing into Glottal Fry Voice for Males 247
To Sing into Glottal Fry Voice 248
How to Teach the Exercises for Females 248

Singing into Head Voice for Females 251
To Discover Head Voice on Higher Pitches 252
To Sing into the Upper Range of the Head Voice 254

Singing into Chest Voice for Females 265
To Find and Establish Chest Voice for Females 265
To Sing into the Low Range of the Chest Voice 266
To Sing into the Upper Limit of Deep Chest Voice 267

Singing into Light Chest Voice for Females 268
To Discover Light Chest Voice 268
To Sing into the Mid Range of Light Chest Voice 270
To Sing into the Upper Range of Light Chest Voice 271
To Sing above the Upper Limit of Light Chest Voice 272

Singing into Middle Voice for Females 273
To Find and Establish Middle Voice 275
To Sing Throughout the Range in Middle Voice 278

Refining Middle Voice for Females 279
To Sing in the Firm, Projected Color of Lower Middle Voice 280
To Sing into the Upper Range of Lower Middle Voice 284
To Sing in the Sonorous Color of Upper Middle Voice 285
To Sing into the Upper Range of Upper Middle Voice 290
To Sing Smoothly Through the Long Range of Middle Voice 291

Singing into Whistle Voice for Females 295
To Sing into Whistle Voice 296

Smoothing Transitions through the Event Areas 298
Smoothing the Events for Males 298

Smoothing the First Passage for Males 299
To Sing Smoothly Through the First Passage 300
To Contrast Light Chest Voice and Middle Voice at the First Passage 302

Smoothing the Major Passage for Males 303
To Sing Smoothly Through the Major Passage 306
To Sing into Head Voice below the Major Passage 306
To Sing Smoothly into Head Voice on the Pivotal Notes around the Major Passage 307
To Contrast Middle Voice and Head Voice at the Major Passage 311
To Sing a Smooth Path Through the Zone of Passage 313

Smoothing Secondary Events for Males 318
To Sing Smoothly Through the Secondary Event a Minor Third below the First Passage 318
To Sing Smoothly Through the Secondary Event a Whole Step above the First Passage 319
To Sing Smoothly Through the Secondary Event a Whole Step above the Major Passage 321
To Sing Smoothly Through the Secondary Event a Major Third above the Major Passage 324
To Sing Smoothly Through the Secondary Event a Fifth above the Major Passage 328

Smoothing the Events for Females 330

Smoothing the Mid Passage for Females 330

To Sing Smoothly Through the Mid Passage 330

Smoothing the Upper Passage for Females 340

To Sing Smoothly Through the Upper Passage 341

To Sing Smoothly Through the Upper Passage into Head Voice 347

Smoothing the Major Passage for Females 348

To Sing Lightly Through the Major Passage 350

To Sing Flexibly Through the Major Passage 353

To Sing Smoothly Through the Major Passage 355

To Sing an Intense Tone Quality Through the Major Passage 358

Smoothing the First Passage for Females 366

To Sing Smoothly Through the First Passage 367

Smoothing Secondary Events for Females 372

To Sing Smoothly Through the Secondary Event a Minor Third below the First Passage 372

To Sing Smoothly Through the Secondary Event a Whole Step above the First Passage 374

To Sing Smoothly Through the Secondary Event a Whole Step above the Major Passage 376

To Sing Smoothly Through the Secondary Event a Major Third above the Upper Passage 377

To Sing Smoothly Through the Secondary Event a Fifth above the Upper Passage 378

Smoothing Transitions with the Ten-Register View 380

To Sing into Tracks 6 and 8 (Deepest Chest Voice Tracks) 382

To Sing into Track 5 (Deep Chest Track) 383

To Sing into Track 4 (Deep Chest Track) 384

To Sing into Track 3 (Light Chest Track) 386

To Sing into the Upper Limit of Track 3 (Light Chest Track) 389

To Sing into Track 2 (Middle Track) 390

To Sing into the Upper Limit of Track 2 (Female Singers) 393

To Sing Smoothly Through the Major Passage (Male Singers) 394

To Sing Smoothly Through the Major Passage (Female Singers) 397

To Sing into Track 1.5 (Mixed Track) 399

To Sing Smoothly Through the Zone of Passage 403

To Sing into Track 1 (Vowel Track) 406
To Sing into Track .67 (Head Track) 413
To Sing into Track .5 (Whistle Track) 426
To Sing into Track .33 (Super Whistle Track) 428

Getting Around the Tonal Landscape with the "Chromatic Vowel Chart" 429
To Orient Your Student to Favorable Vowels in the "Chromatic Vowel Chart" 430
To Correct Anomalies with the "Chromatic Vowel Chart" 431
To Use the "Chromatic Vowel Chart" with the Vocal Line from a Song 432

Chapter 13: Teaching and learning to sing over time 441

Key Concepts from Exercise Physiology 443
Adaptation 445
The Body's Long Memory 448
The Reversibility Principle 450
The Conditioning Zone 451
The Specificity Principle 457
Supplying Energy to the Muscles 458
Fast and Slow Muscle Fibers 466
Conditioning the Muscle Fibers and Energy Systems 467
Concentration 469
Repetition and Excellence 470
Individuality 471
Putting It All Together 472

Interference 478

A Conditioned Voice 480

EXERCISES 481

Teaching Legato 481
Teaching and Learning Legato through Portamento 482
To Explore the Smoothness of Portamenti 483
To Explore the Timing of Portamenti 484
To Explore the Weight of Portamenti 486

To Explore the Shape of Portamenti 488
To Explore Vibrato within Portamenti 490
Teaching Legato through Different Ways of Singing Between Notes 491
To Identify Legato 492
To Contrast Ways of Singing Between Notes 493
Teaching Legato through Speech 497
To Explore Nonlegato and Legato Speech 497
Teaching Legato in Intervals, Scales, and Melodies 499
To Sing Legato between Pitches 500

Teaching Agility 505

Teaching Agile Pitch Changes 505
To Study Fast Pitch Changes 506
To Sing Fast Pitch Changes 510
To Sing with Flow Phonation 513
To Sing Staccato 517
To Sing Grace Notes, Mordents, and Turns 521
To Sing Trills 524
Teaching Agile Register Changes 526
To Sing Fast Register Changes 526
Teaching Agile Tone Quality Changes 528
To Sing Fast Tone Quality Changes 529
Teaching Agile Dynamic Level Changes 530
To Sing Fast Dynamic Level Changes 531

Teaching Long Phrases 532

To Connect Breath and Resonance 533
To Condition Breath Control 535

Teaching Sostenuto 540

Building up to Sostenuto 541
To Sustain Pitches in Easy Range 542
Teaching Sostenuto in Phrases 545
To Rehearse Sustained Notes in a Simple Phrase 545
To Rehearse Longer Sostenuto Phrases 546

To Release a Sustained Tone 547
Teaching Sostenuto in Skips 548
To Sing Supple Sostenuto in Skips 549

Teaching Messa di Voce 550
Developing a Messa di Voce 551
To Sing Crescendos and Decrescendos 551
To Sing a Messa di Voce 553

Teaching the Extended Range 554
To Sing Wide Skips 554
To Sing Long Arpeggios 556
To Sing Long Scales 557
To Sing Extended Range in Songs 558

Teaching Power 559
To Develop Singing with Power 560
To Build Power in a Song 562
To Sing an Intense, Belting Tone Quality for Females 564
To Sing a Bright, Intense, Speechlike Sound for Males 575

Teaching Endurance 576
To Build Endurance in Practice Sessions 577

Appendix I: The International Phonetic Alphabet

Appendix II: Event Pitches for Generic Voices
